Funding Opportunity

2014 Community Homelessness Prevention Initiative

The Rainy River District Social Services Administration Board (RRDSSAB) provides funding to support initiatives to address homelessness through its Community Homelessness Prevention Initiative (*CHPI*).

The RRDSSAB will consider initiatives which capture services and activities designed to meet the needs of households who are:

- Currently homeless; or
- At risk or in imminent risk of homelessness.

And fit under one of four services:

1. Emergency Shelter Solutions
2. Housing with Related Supports
3. Other Services and Supports
4. Homelessness Prevention

Organizations are invited to submit their typewritten request for funding opportunities under the CHPI program. Requests must indicate which of the four services funds are being requested under and activities your organization will be providing under that service.

The RRDSSAB reserves the right to reject any and all submissions. All submissions received become the property of the RRDSSAB and as such are subject to the *Municipal Freedom of Information and Protection of Privacy Act*.

Submissions must be received **no later than 3:00 p.m. Tuesday, May 20, 2014**. Please mail, email or fax your submissions to the following:
