Longest Night of the Year Pledge Form

About: An enumeration of homelessness conducted in April 2018 tells us that the Rainy River District has 111 individuals experiencing homelessness, and 82 in Fort Frances alone.

To generate awareness of the issue, the Fort Frances Homelessness Committee is hosting a homeless sleep out event called "Longest Night of the Year." The sleep out will take place overnight on the 200 block of Scott Street on October 12th from 9pm-6am.

This committee is also working to open an "Out of the Cold" shelter which will be open 3 nights per week during winter months at the Apostolic Way church and is raising funds for overnight staffing and other shelter-related costs, such as minor modifications to the church to accommodate the shelter.

Pledges: The person you are pledging will be spending the night outdoors along with our goal of 82 community members to represent each of Fort Frances' current residents without a residence.

Donations $20 and over are eligible for tax receipts but you must indicate if you would like one. If you do not indicate this, no receipt will be provided. Cheques must have a note or letter attached that it is to be allocated to the shelter and can be made out to:

Community Living Fort Frances & District | 340 Scott Street, Box 147 | Fort Frances, ON | P9A 3M5
