**Preamble**

The Rainy River District Social Services Administration Board (RRDSSAB) is committed to *Excellence in Governance*. As part of its commitment, RRDSSAB adheres to an environmental scanning process which ensures accountability, continuous quality improvement, a common vision, and forward-thinking.

**Policy**

The Board, in pursuit of its mission, engages in an environmental scanning process for the purpose of reviewing, analyzing and revising end targets which have been established for each of its programs and services.

Administration provides the Board with information describing changes to its environment, such as population trends, requests for service, etc., as a means to evaluate its ends and make the necessary adjustments required to achieve excellence in its programs and services.
