

COVID-19 UPDATE – April 2022

Status of Licensed Child Care Centres and EarlyON Child and Family Centres

EarlyON Child and Family Centres

EarlyON Child and Family Centres are open once again for in-person programs. Centres also continue to offer virtual programming options for families such as online story times and weekly craft kits for pick-up. The number of families that can attend at one time and drop-in programs may be limited so it's best to check with the Centre in advance of visiting. Please contact the [Centre](#) directly or visit their Facebook page for more information about the services currently available for families.

Licensed Child Care Centres

Licensed child care centres are open. For more information about licensed child care options visit our [Children's Services](#) page.
