Social Housing Directory

“Beyond Bricks & Mortar”

Revised January 2021

DEFINITIONS

Cascading Age – A system whereby eligible applicants 60 years and over are considered the first priority, those 55 to 59 years are considered the second priority and those 50 to 54 years as the third priority.

Family – A household consisting of at least one adult and at least one child.

Integrated – Consists of single individuals, regardless of age, and seniors as described below.

Senior – The allowable age of applicants is 60 years or older, and applications will be accepted where at least one member of the household is aged 60 years or older (unless otherwise indicated).

Second Stage – Transitional housing for women 18 years or older who require ongoing support while transitioning from abusive relationships.

Assisted Living - Home Care Service provided on-site. Assessment required.
