

Your eProfile™ has a new look. ClaimSecure's **Direct Deposit** service!

About Direct Deposit

Great news! Members (Employees) may now register for ClaimSecure's Direct Deposit service. Once registered, all claims payments (including payments for spouse and dependants) will be deposited directly into the Member's bank account.

In addition to direct deposits, Members also receive electronic notifications (via email) of all successfully processed and failed claims payments. Please note that although ClaimSecure releases the funds for immediate payment, the financial institutions involved may require up to three (3) business days to finalize the transaction.

All eligible payments will continue to be issued to the Member. Therefore, only the Member can make changes to the bank account information on file, or opt out of the Direct Deposit service.
