Email: purchasing@rrdssab.ca

Up to, but not later than:

**2:00 P.M. Central Daylight Time (CDT)
December 11, 2025**

Part 1 – General Requirements

Intent

- 1.1.1 The work under this contract includes providing all materials, labour, equipment, services, and incidentals to complete an engineering study of existing sanitary waste drainage and concrete slab and provide a scope of work and cost estimate for repair, at the property known as Fotheringham Court, located at 418 Steerola St, Atikokan, Ontario.
- 1.1.2 This section outlines the general requirements that shall be administered by the General Contractor. While the specification section establishes the requirements for each trade, the General Contractor shall directly supervise and administer all contract requirements to ensure the provision of materials, labor, equipment, services, and incidentals necessary to complete the work on time and to the quality specified.

Job Conditions

- 1.2.1 The contractor shall verify all conditions and measurements at the site, prior to submitting the quotation. Failure to do this will not relieve the contractor of responsibility nor permit charges for extras if preliminary examinations have indicated adverse conditions.
- 1.2.2 Contractors bidding on this project shall notify DRRSB of any obvious errors or omissions with respect to specifications prior to submission of quote.
- 1.2.3 The Contractor shall apply for, obtain, and pay for all licenses, permits and inspections required for the work. Copies of all permits shall be provided to the DRRSB prior to commencement of work.
- 1.2.4 If the DRRSB or Contractor discovers conditions at the place of Work that are subsurface or otherwise concealed physical conditions which existed before the commencement of the Work, which differ materially from those indicated in the Documents, then the observing party shall notify the other party in writing no later than five (5) working days after first observance of the conditions.
- 1.2.5 No additional Work shall be done or other changes to the Contract made without receiving prior written authority from the DRRSB.

Work Schedule

- 1.3.1 Carry out work in a continuous manner. Take necessary measures to expedite subsequent phases to maintain or improve on completion date.
- 1.3.2 Work shall be conducted between the hours of 8:00 a.m. and 6:00 p.m., local time, Monday through Friday only, except statutory holidays unless pre-approved by an appropriate program supervisor / manager.
- 1.3.3 Give DRRSB at least five (5) days' notice prior to commencing work.
- 1.3.4 Complete all the work by **January 30, 2026, at 6:00 p.m. Central Standard Time (CST).**

Temporary Services

- 1.4.1 Power: 110 volts electrical, located outside each building, for operation of power tools.
- 1.4.2 Provide suitable coverings for materials that are to remain dry.
- 1.4.3 Deliver, store, and maintain packaged materials and equipment with manufacturer's seals and labels intact.
- 1.4.4 Prevent damage and soiling of material and equipment during delivery, handling, and storage. Immediately remove rejected materials and equipment from site.
- 1.4.5 Store and maintain materials and equipment in accordance with manufacturers and suppliers' instructions.
- 1.4.6 Do not load or permit loading any part of the work with a weight or force that will endanger the work or work site.

Work at Site

- 1.5.1 Work is to be carried out at occupied residential units and must be carried out in such a manner as to cause as little inconvenience as possible to the residents. Existing services to the residents and unobstructed access must be maintained for the residents.
- 1.5.2 Be responsible for moving tenants' belongings as required to access the work area. At the completion of all work, replace all items to their original location.
- 1.5.3 Be responsible for covering, screening, and protecting tenants' belongings while work is being carried out.
- 1.5.4 Remove waste materials and debris from site at daily regularly scheduled times.

Fire Safety Requirements

- 1.6.1 Take all necessary precautions to prevent the possibility of fire including the use of fire-resistant sheets to protect adjoining areas, when welding, brazing, grinding, and performing any operations with an open flame, combustible adhesives, or inflammable solvents.
- 1.6.2 Always keep a suitable portable fire extinguisher within three (3) meters of the operation when soldering, welding, brazing, grinding, and performing operations with an open flame, combustible adhesives, or inflammable solvents.
- 1.6.3 Ensure all rags and waste containing oil, grease, or other inflammable materials are stored in an approved metal container and removed from the site at the end of each working day.
- 1.6.4 Maintain fire fighters' access.
- 1.6.5 Maintain existing and temporary fire exits, and other means of egress.

Contractors' Use of Site

- 1.7.1 Limited to areas for work and storage as directed by DRRSB.
- 1.7.2 Do not unreasonably encumber sites with materials or equipment.
- 1.7.3 Do not obstruct entrances, stairs, or fire exits.
- 1.7.4 Make good damage to paving, grass, walkways, curbs, trees, planting beds, etc., caused due to the work of this contract.

Health and Safety

- 1.8.1 Comply with all aspects of the Occupational Health and Safety Act and regulations thereunder.
- 1.8.2 It is the contractor's responsibility to provide the proper notification to the Ministry of Labor prior to the commencement of work.
- 1.8.3 Maintain on site a list of all hazardous materials proposed for use on site together with current Safety Data Sheets (SDS).
- 1.8.4 Label all hazardous materials according to WHMIS requirements.
- 1.8.5 Use experienced workers, fully instructed, and trained in accordance with the requirements of WHMIS and other applicable regulations.
- 1.8.6 The contractor will assume responsibility for all breaches of health and safety requirements.

Insurance

- 1.9.1 The successful bidder will take out and keep in force for the duration of the work with the DRRSB, a comprehensive policy of public liability and property damage insurance the minimum amount of two million dollars (\$2,000,000.00) inclusive per occurrence.
- 1.9.2 The policy will name the DRRSB as an additional insured thereunder and will contain:
 - i) the insurers waive of any rights of subrogation or indemnity or any other claim to which the insurer might otherwise be entitled as against the DRRSB and any other corporation owned, operated, or controlled by or affiliated with the DRRSB, together with a severability of interest clause and a cross-liability clause; and
 - ii) an undertaking by the insurer not to cancel, change, lapse or refuse to renew the insurance therein granted without first giving the parties notice of its intentions in writing of at least 60 days prior to the intended change, lapse, cancellation, or termination.

Part 2 – Services – Condition & Repair Assessments with Costs

- 2.1.1 Evaluate the current condition of facility pipelines below slab level.
- 2.1.2 Evaluate the current condition of concrete slab including sanitary waste drainage underneath the facility.
- 2.1.3 Regulatory Compliance: Identifying improvement needs to meet existing and future environmental or building regulations.
- 2.1.4 Engineering Assessment Report: Develop a full report that includes a Class B estimated cost of repairs for the identified deficiencies.

Preliminary Information

- 2.2.1 Areas of concern are in floor plan views on following page.
- 2.2.2 Pictures included showing preliminary exploratory evidence of the grade underneath the concrete slab that has been compromised.
- 2.2.3 Exploratory work to date has included camera inspection of available drain cleanouts, and concrete coring to gain visible access to void area beneath the slab.

Preliminary Work

- 2.3.1 Notify Owner at least five (5) days in advance of commencing the work.
- 2.3.2 Always protect tenant traffic areas.

Finishing

- 2.4.1 Leave worksite clean.

Slab has dropped

Crack in block wall

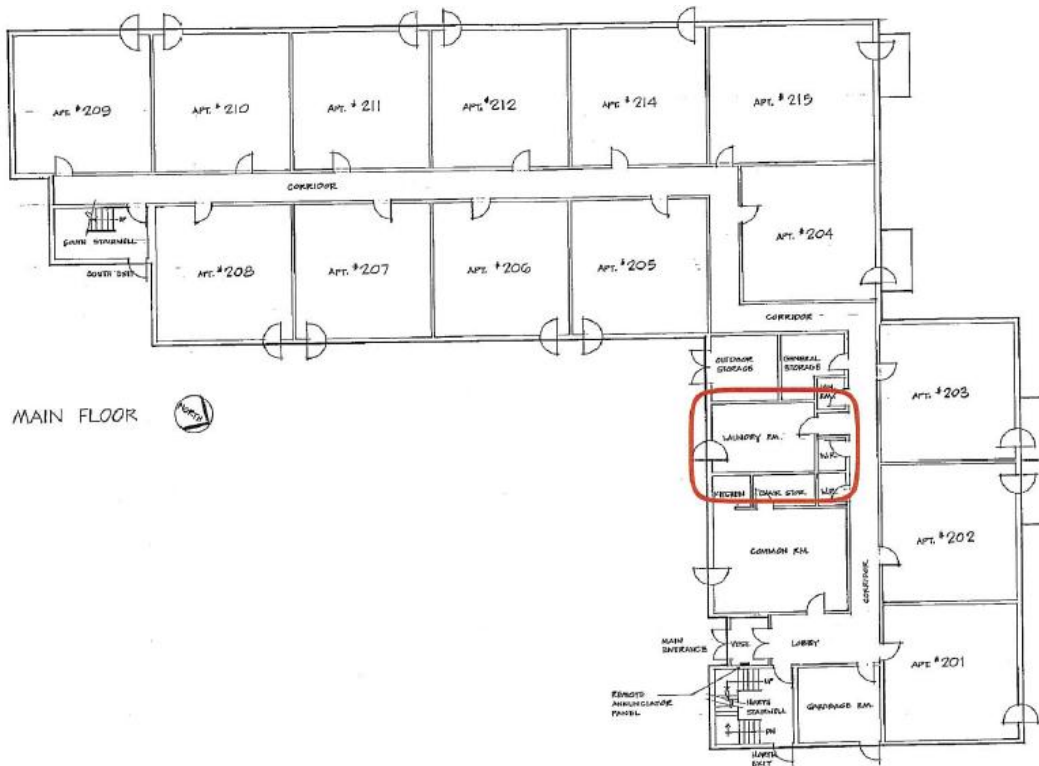

Gap measurements

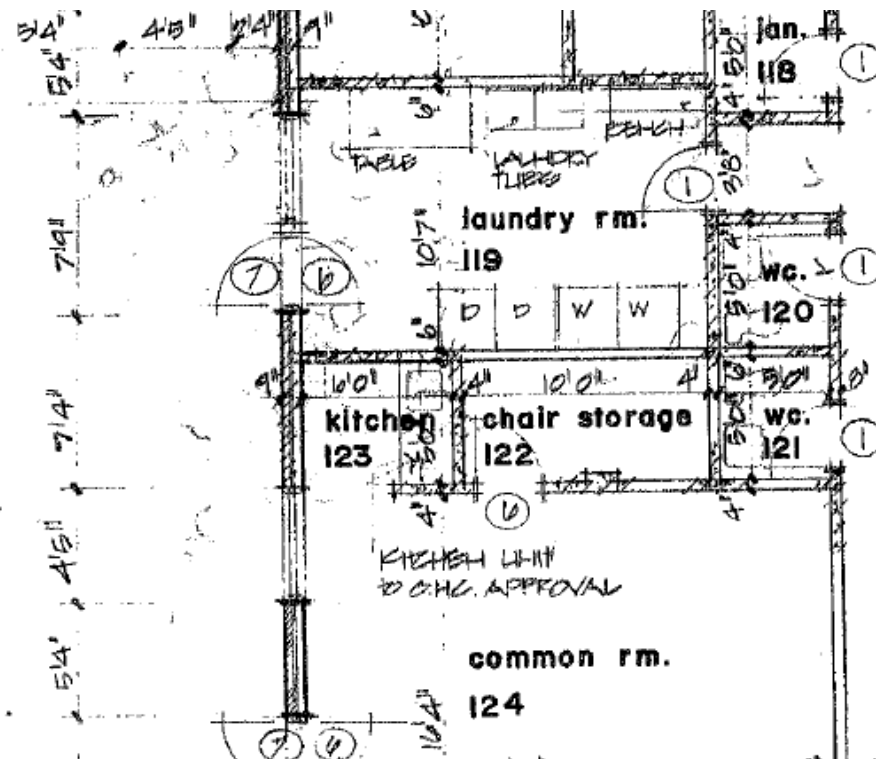

A Drilled hole reveals that the gravel subbase is absent underneath the slab in this location of approximately a 7" void.

FOTHERINGHAM COURT.

Area of concern

Deadline for Questions and requests for further information is December 9, 2026, and are to be directed to Michelle Ballan, Infrastructure Assistant at 807-274-5349, ext. 228 or by email at michelle.ballan@rrdssab.ca.

The successful contractor will be required to provide:

- Signed copy of Contractor's Undertaking to Comply form;
- Proof of current WSIB coverage/WSIB Clearance Certificate;
- Proof of current liability insurance coverage minimum \$2 million per occurrence;
- The name of the person responsible for administering the contractor's health and safety program;
- Proof of appropriate staff training where required, i.e. Transportation of Dangerous Goods, OHSA, WHMIS, etc.;
- Proof of equipment certification where required, i.e. lifting devices, boom cranes, underwater diving, etc.; and
- Copy of the contractor's health and safety policies and procedures; and
- Particulars of any convictions or orders imposed under health and safety or environmental legislation.

Some of the above documents may be provided annually and retained on file at the DRRSB. If you have recently submitted the current information, please check with the Project Coordinator as to what additional information may be required.

Additional Important Information Pertaining to Procurement at DRRSB:

*As it is the responsibility of the bidder to determine levy and collection of HST, **amounts bid shall show the HST amount and HST number**, or alternatively cite the basis of exemption in lieu thereof.*

If for any reason, this policy contradicts the policy of any Federal, Provincial, or other source of funding, it will not apply. During the bid evaluation process, preference will be given to the purchase of Canadian goods and services over non-Canadian goods and services, wherever it may be economical to do so.

The DRRSB reserves the right to reject or disqualify bids not submitted in strict accordance with requirements of the bid documents.

Bids may be submitted by fax transmittal through a third party; however, the Board assumes no responsibility whatsoever for proper receipt of such fax transmittals. If requested, all bid documents and enclosures must be received within the specified period.

The DRRSB is governed by the Municipal Freedom of Information & Protection of Privacy Act (MFIPPA), therefore bidders must accept that the bid contents can be made public as a condition of the bidding process.

The lowest or any bidder not necessarily accepted. The DRRSB reserves the right to reject any or all bids, to waive irregularities and informalities therein, and to award the bid in the best interest of the Board.
